TO THE NURSERY TRADE

In presenting you with our regular Spring Wholesale Trade List for this season we wish to thank our customers and friends for the liberal patronage given us in the past and we hope to have the pleasure of serving you more in the future.

Our storage and facilities are sufficient to properly handle and care for stock. Our stock is not "jammed up" in the fields, but is in rows properly spaced and cultivated thoroughly and frequently. Even our lining out stock is grown in open fields and should not be classed with stock grown in beds without room to develop. We do not sacrifice quality in order to reduce our investment. This is our 54th year in the production and distribution of **HARDY ORNAMENTAL PLANTS**. This list is intended for the **TRADE** and should be found only in the hands of people who buy our products in wholesale quantities.

TERMS AND CONDITIONS: Five (5) percent discount and free boxing and packing for cash with order. Free packing does not apply to balled and burlapped items. Open Accounts (on known or approved credit rating); two (2) percent ten days; one (1) percent thirty days; net, sixty days from date of shipment. Interest at 6% charged on all past due accounts.

Orders for less than ten of a variety or grade, will be invoiced at an **ADVANCE OF 25% OVER THE TEN RATE REGARDLESS OF THE SIZE OF THE ORDER**, except in Conifers and Broad-leaved Evergreens where the "Each" and "Per 10" rates apply.

Prices in this list are subject to market changes without notice and cancel all previous printed prices.

We charge for boxing and baling at cost of material used. When stock is loaded bulk in car or truck, no packing charge is made. Orders accepted subject to prior sale of stock or crop injury or loss from any cause beyond our control. We are careful to keep our varieties true to name as labeled, and we will replace, on proper proof, any stock that may prove otherwise, free of charge or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price paid us. No claims will be considered unless made in writing within ten days after receipt of goods.

SHIPPING: We request our customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions we use our best judgment, but without assuming responsibility. All shipments travel at risk and expense of purchaser. All shipments will be accompanied by State Certificate of Inspection.

TRUCK SERVICE: We are able to offer truck service within a radius of 600 miles. Charges aver-

age about the same or less than railroad rates with delivery at your door with no packing charges. If interested write for further information.

We have four reliable freight truck lines operating through McMinnville that makes good connections to all parts of the country at the same as railroad rates.

LOCATION: McMinnville is located in Middle Tennessee on N. C. & St. L. Railroad, 72 miles East of Nashville, 138 miles west of Knoxville on U. S. Highway No. 70S (The Broadway of America); 80 miles Northwest of Chattanooga on State Highways Nos. 55 and 56 and 100 miles Northeast of Huntsville, Alabama.

REFERENCE: Any bank or business house in McMinnville. The Commercial Agencies or any of the leading nurserymen in the United States.

We will be glad to send free samples of any items offered where there is enough stock wanted to justify the expense.

Give us an order and be convinced that our stock and service is as good as can be had regardless of the prices paid.

Visitors are always welcome. We are never too busy to show you our nursery.
